Overview & Scheduling

This content patch adds lookup values across multiple lookups and resources.

No field structure changes are in this patch.

A total of 318 new lookup values are added to 33 lookup types in Property, Office, Member, CustomProperty, and PropertyRooms.

These lookups will be added **the morning of Wednesday, March 4.**

Your Feedback Wanted

Your feedback is a key factor in setting product priorities!

We are putting significant attention on improving our communication with data consumers, including messages about metadata changes like this one. I'd love to hear your input on this notice—whether it works for you as-is, or if there's something else you'd like to see.

As always, please let me know any feature requests, bug reports, or any other idea that would make your business more productive or easier to operate.

Thank you!

Dan Ray
Lead Product Manager, Trestle
