Trestle™ API Data Content Patch

Patch #133, to be applied March 25, 2020

Contents

Overview & Scheduling

This content patch adds lookup values across multiple lookups and resources. No field structure changes are in this patch. A total of 20 new lookup values are added to 11 lookup types in Property, Office, Member, and PropertyRooms.

These lookups will be added **the morning of Wednesday, March 18.**
